Below is a list of class specifications in alphabetical order. Find the job class that Human Resources or your manager directed you to and click on the job title of that class. When you select the class, a new window opens. At the top of the page there is a link that states "If you are submitting an application associated with a Free Name or Other Special Appointment, click here." Click on this link and an application will open that you can complete and submit to the State of Delaware.

If you were directed to complete an application for multiple job classes, you must complete the first job class application and then return to DEL and begin the process again for each additional job class for which you were instructed to apply.
